“ 04 07- 2018 № 78/71

Dear Colleagues,

The E.O.Paton Electric Welding Institute of the National Academy of Sciences of Ukraine jointly with Kiev City Center for Electric Welding Surgery organizes the Thirteens International Scientific-Practical Conference "Welding and Treatment of Live Tissues. Theory. Practice. Prospects" to be held on November 30 - December 1, 2018 at the E.O. Paton Electric Welding Institute, 11, Kazimira Malevicha str., Kyiv, Ukraine.

The first day of the Conference would be devoted to the presentations (including posters) and their discussion, as well as to the demonstration of the equipment and instruments for welding as well as thermal technologies in surgery.

The master-classes, where the visitors and participants will be able to watch in video mode the process of surgeries executed by leading experts with application of electric welding technologies, are planned for the second day.

With this letter we are pleased to invite you and your colleagues to take part in this Conference and make the respective report or presentation.

Would you kindly inform us on your possible participation, as well as about the presentation subject by e-mail lopatkina@paton.kiev.ua and/or by phone (38044) 205-1710. If applicable, would you please, send us the presentations texts in electronic form for proceedings publication to the above-mentioned address before October 15, 2018.

Further more detailed information with possible adjustments as regards to the Conference procedures will be mailed to you after receiving from you the application for participation in the Conference activities.

Respectfully yours,

Professor Boris Paton
Director of the Institute
